Effective September 3, 2017

How to Read the Timetables

Select the schedule for the day and direction you are traveling. Select the timepoint stop closest to your boarding point along the top of the schedule. Read down the column to the time you want to begin traveling. Follow the same method to determine the arrival time at your destination. All times are approximate.

Exact fare is required. Bus fareboxes accept CharmCards, coins, dollar bills, and Day, Weekly, and Monthly passes. Two children under 6 years of age may ride free when accompanied by a full fare paying passenger. Some routes offer supplemental service; see mta.maryland.gov for supplemental schedules.

Cómo leer los horarios

Seleccione el horario del día y su destino. Seleccione la parada programada más cercana al lugar donde se subirá en la parte superior del horario. Lea hacia abajo la columna hasta la hora en la que quiere comenzar a viajar. Siga el mismo método para determinar la hora de llegada en su destino. Todas las horas son aproximadas.

Se exige la tarifa exacta. Las máquinas de los autobuses aceptan CharmCards, monedas, billetes de dólar y pases diarios, semanales y mensuales. Dos niños menores de 6 años pueden viajar gratis acompañados de un pasajero que paga la tarifa total. Algunas rutas ofrecen servicios adicionales; visite mta.maryland.gov para consultar los horarios adicionales.

Supplemental service augments regularly-scheduled service on routes that see high passenger volumes during peak periods. It does not operate on weekends or vacations when school is not in session. See the individual schedules for the routes in this brochure for more information on their regular service. **Supplemental service is always open to the general public. Regular fares and policies apply (see back cover).**

El servicio adicional incrementa el servicio programado de forma regular en las rutas que presentan altos volúmenes de pasajeros durante las horas pico. El servicio no se presta los fines de semana ni durante las vacaciones, cuando no hay actividad escolar. Consulte en este folleto los horarios individuales de las rutas para obtener mayor información sobre su servicio regular. **El servicio adicional siempre está abierto al público general. Se aplican políticas y tarifas regulares (vea la contraportada).**
